|--|--|--|
| • Fuel Tank or Cell: In OE or safer location; correct mounting, lines, fittings, vents, etc..... | | |
| • Fuel Bulkhead: Unbroken metal barrier between non-FIA tank and driver compartment..... | | |

TEAM REP: THE STATEMENTS BELOW LIMIT OUR LIABILITY--READ CAREFULLY BEFORE YOU SIGN!

- I hereby certify, affirm, and verify that this vehicle's fuel-storage and -delivery equipment meets current Lemons rules and that all required certifications, if any, are current; I am aware of, and have followed, all manufacturer-recommended inspection and replacement schedules.
- I hereby certify, affirm, and verify that this vehicle's fire-suppression and/or fire-extinguishing equipment is fully charged at this time; meets or exceeds current Lemons rules; meets or exceeds all manufacturer guidelines; and that all required certifications, if any, are current.
- I understand that this inspection is in no way a certification, representation, or guarantee that this vehicle is fit or safe to race. I understand I am solely responsible for determining this vehicle's safety, fitness to race, and compliance with Lemons' rules. I understand that serious injury or death may result from competing in, servicing, or otherwise operating this vehicle. I agree that this inspection does not imply any liability on the part of the inspectors, track, or organizers. I agree to pay, indemnify, and/or otherwise hold harmless DriversDoor Inc., its agents, assigns, and/or employees from any claims, litigation, or liability arising from this inspection and/or my team's participation in this event.
- I have prepared and inspected this vehicle and take full responsibility for its condition and fitness. I am a legal adult and have sufficient knowledge of this vehicle at this time to make each and all of the representations implied or presented above.
